Presentation to the Standing Committee on Social Policy**

---

Further to the memorandum dated February 10, 2017 outlining OCSTA's concerns with the proposed amendments to the Municipal Act, Municipal Conflict of Interest Act and other statutes related to municipal government, please find attached OCSTA's presentation to the Standing Committee on Social Policy outlining our recommendations with regard to Bill 68, *Modernizing Ontario's Municipal Legislation Act, 2017*.

On Monday April 10, Patrick Daly presented our recommendations to the Standing Committee during its second day of hearings on Bill 68. The government members and the official opposition members were generally supportive OCSTA's concerns and suggested amendments. We will continue to monitor the legislative process and provide updates as required.
