**MEMORANDUM**

**TO:** Chairpersons and Directors of Education  
- All Catholic District School Boards

**FROM:** Nick Milanetti, Executive Director

**SUBJECT: Executive Compensation Salary Framework – Data Collection**

---

With the implementation of the executive compensation salary framework, the four publicly funded school systems and the executive associations representing Directors of Education and Supervisory Officers are part of a committee, along with the Ministry of Education, that is reviewing the implementation of the framework. Among the issues being reviewed by the committee are equity, role definitions, and funding for executive positions.

To further the work of the committee, accurate information is required regarding the actual salaries for all Board employees affected by the Executive Compensation Framework. To that end, the four Trustee Associations and the Executive Associations have engaged the Ontario Education Services Corporation (OESC) to gather the necessary data from all 72 publicly funded school boards. This data will remain confidential and for the use of the committee as stated.

In the near future, you will receive a request from Ted Doherty, Executive Director, OESC requesting the salary information for your Board.

We are asking for your support in providing this information.

Thank you and best wishes for a great wrap-up to the school year.
