

**Memorandum to: Directors of Education
Supervisory Officers/Secretary Treasurers of School Authorities
Executive Director, Provincial and Demonstration Schools**

I am writing to provide an update related to the legalization of recreational cannabis.

Legalization of Recreational Cannabis

Amendments to the *Education Act* and Policy/Program Memoranda:

Ontario's *Cannabis Act, 2017* came into force today and sets a minimum age of 19 to use, buy, possess, cultivate, and distribute recreational cannabis in Ontario. The *Cannabis Act, 2017* amends the *Education Act* to reflect suspension, expulsion, and code of conduct changes so that cannabis remains prohibited at school, on school property and at school-related activities.

The following Ministry of Education Policy and Program Memoranda (PPMs) that reference these provisions have also been updated:

- PPM 128 - Provincial Code of Conduct and School Board Codes of Conduct
- PPM 144 - Bullying Prevention and Intervention
- PPM 145 - Progressive Discipline and Promoting Positive Student Behaviour

The updated PPMs can be accessed at: <http://www.edu.gov.on.ca/extra/eng/ppm/ppm.html>. School boards must make the necessary revisions to their school board policies to align with the updated PPMs. The amendments to the *Education Act* can be found on [e-laws](#).

[Fact sheets](#) containing information about the provincial Code of Conduct, suspensions, and expulsions in Ontario's schools have also been updated to reflect the amendments to the *Education Act* and related PPMs.

Cannabis-Related Resources

The ministry has developed resources for the education sector to increase awareness about cannabis, prevent and/or delay cannabis use among youth, and promote healthy decision-making and student safety.

These resources include:

- A fact sheet for schools and school boards that focuses on the implications for your work, including changes to the *Education Act* and PPMs 128, 144, and 145.
- A resource for youth that provides factual information and highlights the risks of use/misuse, developed in collaboration with Kids Help Phone.

The Ministry of Education will continue to provide resources based on the needs of the school community, which will be available on the ministry's legalization of recreational cannabis web pages for [educators](#) and [parents](#).

For general information and other resources about legalization of recreational cannabis in Ontario, please visit www.ontario.ca/cannabis. This website will continue to be updated as more information becomes available.

Ontario School Information System (OnSIS)

The Ministry of Education is also updating the suspension/expulsion data collection tool found in the Ontario School Information System (OnSIS) to align with the amendments to the *Education Act*. There are three new categories for suspension/expulsion:

- possession of cannabis;
- being under the influence of cannabis;
- giving cannabis to a minor.

Effective today, these will be collected through OnSIS for the 2018-2019 school year. Specific OnSIS requirements related to these changes were communicated to your Student Management System (SMS) vendors in August 2018.

Local Police/School Board Protocols

School boards are encouraged to discuss the implications of the legalization of recreational cannabis with their local police services and make revisions to their local police/school board protocols to ensure alignment with requirements, where necessary (e.g., update references to illegal drugs).

Funding

The Ministry of Education will be providing school boards with a total of \$1.88 million in one-time funding to support local training needs related to the legalization of recreational cannabis. For a detailed list of board allocations, please refer to Appendix A.

School boards will be expected to report to the ministry on how the funding was used to support local training needs. Transfer payment agreements will follow shortly.

Safe and Healthy Schools Webinars

The ministry will be hosting three Safe and Healthy Schools Webinars on Thursday, November 8, 2018:

- 10:00am to 11:00am - English
- 1:00pm to 2:00pm – French
- 3:30pm to 4:30pm – English

During these webinars, ministry staff will provide information related to the legalization of recreational cannabis, including an overview of the policy revisions referenced above.

We encourage you to share this invitation with school board staff.

Please register for the webinar by Tuesday, November 6, 2018, by completing the online [registration form](#). Log-in instructions will be sent to the contact(s) identified in the registration form by November 7, 2018. If you have any questions about the webinars, please contact Steve Soroko, Healthy Schools Unit at 416-325-2728 or Steve.Soroko@ontario.ca

If you have any other questions or require additional information, please contact Debbie Thompson, Director, Safe and Healthy Schools Branch at 416-325-7645 or Debbie.Thompson@ontario.ca.

Thank you for supporting the health and safety of Ontario's students.

Sincerely,

Nancy Naylor
Deputy Minister
