

## “*Re-elect*”

I have had the privilege to be involved with Catholic education for most of my life; as a student, a teacher, a Catholic school principal (22 years) and as a trustee. I have the desire, the experience and the commitment to serve, for a fourth term, the Region 11 Boards and their trustees. I care deeply about the cause of publically funded Catholic education. It would be an honour on your behalf, to champion the future of Catholic education in the province of Ontario.” ~ Casey, 2019
