PAUL LANDRY

Knowledgeable

Approachable

Respectable

**Regional Director for
Region # 2**

**Ontario Catholic School
Trustees' Association**

I am seeking your support for re-election as Regional Director for Region #2 on the Ontario Catholic School Trustees' Association.

Our region of Northwestern Ontario is very vast and large, the distances between our Boards within our Region are great, and each Board has unique issues and concerns that affect them. I have brought forward these concerns and issues to our Provincial Association and will continue to do so should I be re-elected.

I have served as a trustee on the Kenora Catholic District School Board since 1985 and I have had the privilege of serving as Chair and Vice-Chair of our Board. I am also honoured at the present time to be serving as President of the Thunder Bay Diocesan Catholic School Trustees' Association.

Education is a crucial investment in our future for all the students of Ontario, no matter where that student lives within Ontario. Every child in Ontario deserves the same quality of education, and for our students, the best quality of Catholic education. I will continue to bring forward to the Ministry of Education through our Provincial Association the concerns and issues that are being felt by the Northwestern Ontario Catholic Boards, as a Southern Ontario solution does not work in our region of Ontario.

I have had the honour and privilege of serving as Regional Director for Region #2 on the Ontario Catholic School Trustees' Association for the past 12 years and 5 years in the 1990's. I presently have the honour of chairing the First Nation Trustees Advisory Council on behalf of OCSTA. I am seeking your support for re-election of Regional Director for Region #2, and it would be a great honour to represent all Catholic School Boards and all our students in our great area of Northwestern Ontario.

Yours in Catholic Education,

Paul Landry
