Dear Friends in Christ,

Ninety years as a trustee association is truly something to celebrate. Ensuring Catholic Education for the students of Ontario, advocating for parents, students and staff, and fighting for our rights as Catholics has been the challenging yet rewarding work of Catholic trustees. "Yahweh your God has blessed you in all you do; he has watched over your journeying through this vast desert. Yahweh your God has been with you these forty years and you have never been in want." (Deuteronomy 2:7)

Celebrating our Legacy, Embracing our Future is a great theme to celebrate 90 years. In celebrating our past, we rely on those experiences to plan for and embrace the future. So much has happened and changed in 90 years. The Great Depression, WWII, huge advancements in technology and medicine to name a few. All the while, a focus of faith and belief in a strong faith-based education have guided and shaped the students of Ontario.

As President of CCSTA, it is my honour to wish you all a blessed and successful AGM. I look forward to celebrating this significant milestone with you. Congratulations on 90 years as an association of faith, strength, love and discipleship. Thank you for your dedication to Catholic Education. May God bless each of you as you continue in your calling as trustees.

Yours In Catholic Education,

Paula Scott
President
