Dear Beverley Eckensweiler:

On behalf of the Provincial Executive of the Ontario English Catholic Teachers' Association, I extend my wholehearted congratulations to the Ontario Catholic School Trustees' Association on its 90th anniversary. A long history of faith-inspired leadership has contributed to the legacy of your association and its many years of successful advocacy in support of Ontario's world-class publicly funded Catholic education system.

As key partners in Catholic education, we understand the importance of the collaborative role we play in an effort to uphold the foundation of our unique system built on the teachings of our faith, empowerment and action. Each and every day more than 600,000 students are guided and inspired by the 45,000 Catholic teachers across our province; the success of Ontario's publicly funded Catholic education system is a testament to the collaborative efforts and shared values of our respective partners in Catholic education. We look forward to continuing our advocacy and service together in an effort to protect and uphold Ontario's Catholic education system in the best interest of Ontarians.

We celebrate your legacy and embrace your future, as we congratulate the Ontario Catholic School Trustees' Association on this momentous milestone.

Sincerely,

A handwritten signature in black ink that reads 'Liz Stuart'.
