PRIEST REFERENCE FORM FOR BEGINNING TEACHERS

MEMO TO: Priests Providing Pastoral References for Beginning Teacher Candidates

The process for hiring new Catholic teachers as developed by each local Catholic School Board is extensive and complex. The process includes consultation, where possible, with the local clergy about potential teacher candidates. The priest's response is one important part of the total process. The Faith Reference Portfolio, other professional references, a criminal record check and an interview experience conducted by professional Catholic Educators are all influential in the hiring decision. Personnel responsible for hiring within our Catholic School Boards are trained to interpret the many nuances of all references and recommendations.

To assist you with reference requests and to provide consistency for all involved, we are attaching a template for pastoral references which we trust honours both your professional integrity and your busy ministry schedules. Please do not feel obliged to provide a pastoral reference for a candidate if you feel it would be inappropriate. The information most helpful to Boards is clearly indicated in the questionnaire. Teacher candidates have a legal right to access their files but the only others with access are school board personnel involved in hiring. Catholic school boards have been requested to notify priests about local protocol in this regard.

We thank you for your involvement in this process and for your encouragement and support of the ministry of Catholic teaching.
