

We Are Made for Love

Songwriter: Chris Rait

With open hearts
We're children of faith
We're people of joy
A joy to give

With open ears
We hear your call
We celebrate
The life we live

I am made for love
You are made for love
We are called for loving

When hope is lost
When justice fails
And the world seems dark
With worried minds

Remind us all
Your mercy, Lord
Change this world
A light that shines

I am made for love
You are made for love
We are called for loving

I am made for love
You are made for love
We are called for loving

We are called for loving
